

HIGH PRESSURE SPECIALIST
Design and manufacturing capabilities to serve industry

STOCKING DISTRIBUTOR

**Specializing in precision High Pressure Valves
Fittings, and Fluid Control devices**

i n n o v a t i o n

- Ball Valves-10,000-20,000 PSI
- Coned & Threaded Valves, Fittings & Tubing-20,000-60,000 PSI
- Pipe Valves & Fittings-15,000 PSI
- Hose Fittings
- Custom Manifold & Manifold Valves

OTHER PRODUCT OFFERING

- Air Driven Liquid Pumps
- Air Pressure Amplifiers
- Air & Electric Driven Gas Boosters
- Turbine Flow Meters
- High Pressure Systems
- High Pressure Valves & Components

Design & Manufacture of Systems and Tooling

- Hydrostatic & Burst Testing
- Hydroexpansion & Hydroforming
